Interfaith

Interfaith Power & Light (IP&L) has been doing this for years. The DC, Maryland and Northern Virginia chapter publishes this guide on how to start a green team.
https://ipldmv.org/go-green/green-congregation-guides/

Rev. Kate Mosley of Georgia IP&L joins the Climate Realty Project and Center for Earth Ethics for a discussion on creating Green Teams in your faith community.
https://www.youtube.com/watch?v=w4kC2FsQpjE

Statewide Outreach Director, Veronica Kyle, shares about the power of Green Teams for environmental care from the Chicago area Faith in Place chapter of IP&L.

Lutheran

This Lutheran organization, Southeastern Synod Green Team, offers grants to start a Green Team. This is the success story of a Lutheran church in Tennessee that applied for and received funding to start their green team. Each project resulted in savings that enable more projects.

United Church of Christ

UCC has a page to Green Team Tips here:

Catholic

These materials in this library will help you strengthen and inform your work as a Creation Care Team. You can give this "CCT Program Handout" to your pastor or leadership council to help you explain the benefit of starting a Creation Care Team.
